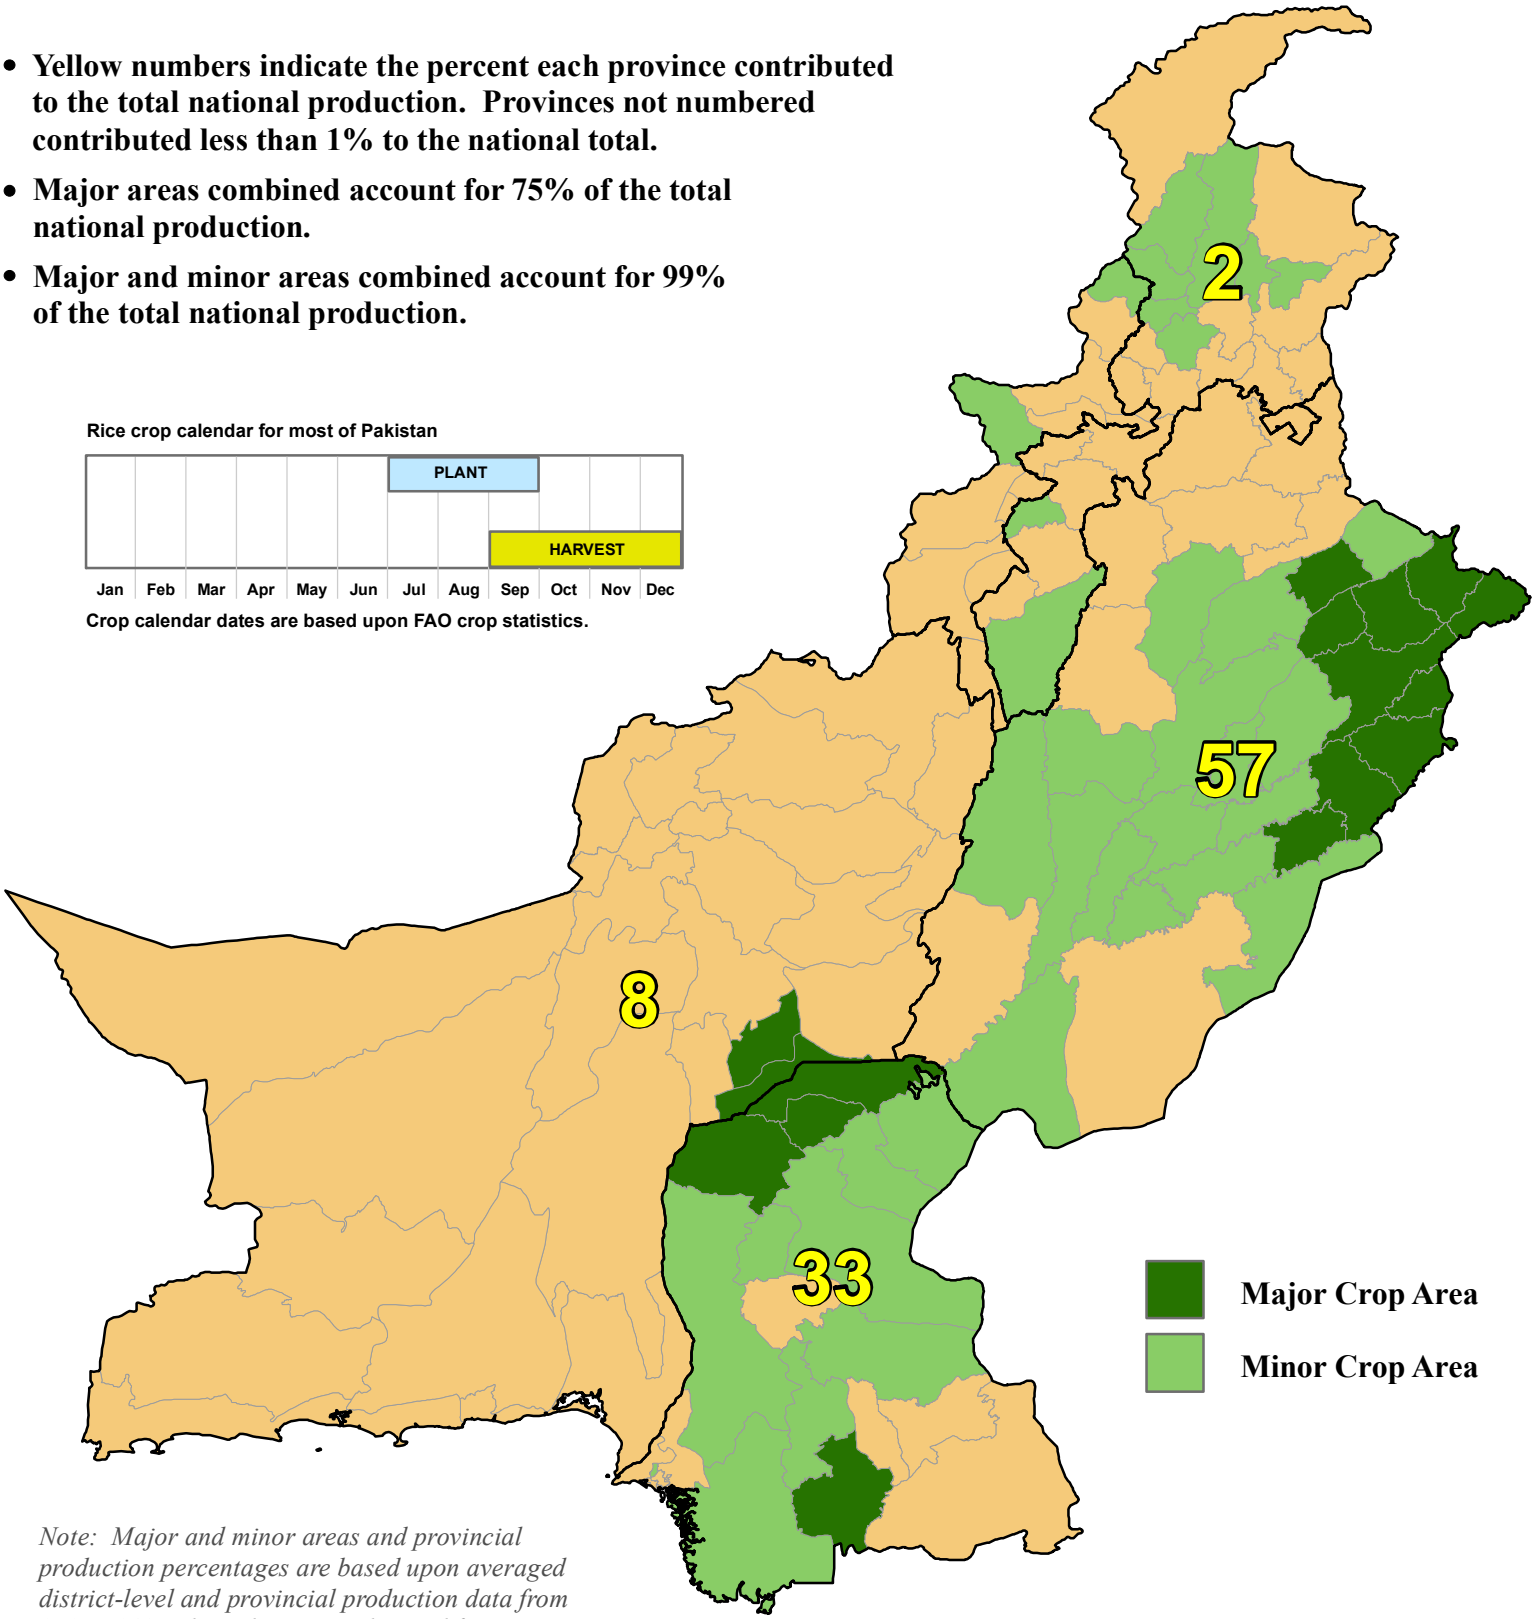
Pakistan: Rice

- **Yellow numbers indicate the percent each province contributed to the total national production. Provinces not numbered contributed less than 1% to the national total.**
- **Major areas combined account for 75% of the total national production.**
- **Major and minor areas combined account for 99% of the total national production.**

Rice crop calendar for most of Pakistan

Crop calendar dates are based upon FAO crop statistics.



Note: Major and minor areas and provincial production percentages are based upon averaged district-level and provincial production data from 2006-2011. These data were obtained from provincial agriculture departments.
