

U.S. Food Waste Challenge

Reduce, Recover, Recycle

Name of School:

Vancouver District Schools

City, State:

Vancouver, WA

Website:

<http://www.clark.wa.gov/recycle/school/sos.html>

What activities will the school undertake in the next year?

Recover food waste from breakfasts and/or lunches for composting
In January 2005, Clark County staff worked closely with Vancouver School District (the District) facilities staff to implement a program to collect and divert food scraps and compostable paper for composting off site. The program continues today, annually diverting 250 tons of organic material for composting.

Elementary Schools
